

Sale Name: Almon Adam Estate Auction

LOT 1 - Tract 1

Description

Tract 1: Tract 1 is comprised of 191.5 +/- acres and is accessed via Randall Township Highway and County Road 56. Approximately 65 acres of this tract are currently utilized in hay production yielding around 2 ton per acre on the average year. The remaining 126.5 acres are pasture ground. There would be multiple building sites on this tract with beautiful vantage points or nestled in the seclusion of the forest. With the Randall Creek bottom, rolling hill terrain, lots of mature trees, and good access, this tract is a definite eye catcher.
